

MISD Scholarships

from

The Marathon

Foundation

Since 2012 The Marathon Foundation has awarded a college scholarship to any student who attends all four years of high school at MISD with a “C” minimum average. The scholarship is now awarded at \$8000. So, stay in MISD high school! Or, you will lose your eligibility!

This scholarship is for a school of your choosing. The money is paid directly to your school account at \$80 per semester hour. The balance of the \$8000 will be paid in your graduating semester.
